Ridgecrest Vineyards
Ribbon Ridge | Willamette Valley

A Dad, a Daughter, And a Hill.

We are a multi-generational family winery located in the northern Willamette Valley. Ridgecrest Vineyards was founded in 1980, with the first vines planted in 1982 on what is now the prestigious Ribbon Ridge AVA. We sell fruit to friends and neighbors in the valley and produce our own lineup of Estate wines at the Carlton Winemaker's Studio.

With five decades of experience farming the first vines planted on Ribbon Ridge, each bottle of Estate-grown Pinot Noir, Chardonnay, Riesling, Grüner Veltliner, Pinot Gris, Chenin Blanc and Gamay Noir we craft is reflective of the Willamette Valley's reputation as one of the world's truly special wine regions.
